Your Feedback

Our organization is committed to evaluating success based on the effect of the services we have rendered. Please help us provide you with more effective services in the future by sharing your feedback with us on the following project/services provided. We will share your responses in summary form only.

Today’s Date: ____________________________

Company Name: «Company_Name» Company Contact: «Company_Contact»

Project Title: «activity_title»

I#: «Activity_IESmis» Activity Completion Date: «Activity_Completed»

IES Contact: «IES_Contact»

This collection of feedback, is underwritten by North Carolina Manufacturing Extension Partnership (NCMEP) will improve the delivery of high impact services to NC manufacturers. Participation is voluntary and should require no more than 15 minutes of your time. Please complete the attached questionnaire being certain to record financial information in dollar amounts.

In 9 to 12 months, you will receive a national survey by mail and then a telephone call to record your responses. The national survey is conducted by a research house contracted with the National Institute of Standards and Technology (NIST), which provides funding for manufacturing extension programs throughout the United States. Refer to your copy of this instrument to refresh your memory and enable you to respond easily to the telephone interviewer.
