CCNA Questionnaire

1. Your Full Name
2. How long have you been involved with computers? Circle the correct choice:
   - < 1 year
   - 1 year
   - 2 years
   - 3 years
   - > 3 years
   - > 5 years
   - > 10 years
3. Please describe your personal and/or professional experience with computers.

4. What kind of experience do you have with existing Windows Operating Systems e.g. Windows 9x and Windows 2000 family?

5. How often do you keep updated on new computer related technologies? What methods do you use to keep updated?

6. Do you like to work with computers? Why?

7. Do you like putting/connecting things together? Yes/No
8. Are you aware that CCNA involves configuring routers and switches; and routers and switches are devices used in the network to pass packets of information from one place to another?
CCNP Questionnaire

1. Your Full Name

2. How long have you been involved with computers? Circle the correct choice:
   - < 1 year
   - 1 year
   - 2 years
   - 3 years
   - > 3 years
   - > 5 years
   - > 10 years

3. Please describe your personal and/or professional experience with computers.

4. What kind of experience do you have with existing Windows Operating Systems e.g. Windows 9x and Windows 2000 family?

5. How often do you keep updated on new computer related technologies? What methods do you use to keep updated?

6. Do you like to work with computers? Why?

7. Do you like putting/connecting things together? Yes/No

8. Are you aware that CCNA involves configuring routers and switches; and routers and switches are devices used in the network to pass packets of information from one place to another?

9. Are you a CCNA? Yes/No
CISSP Questionnaire

1. Your Full Name
2. How long have you been involved with computers? Circle the correct choice:
   - < 1 year
   - 1 year
   - 2 years
   - 3 years
   - > 3 years
   - > 5 years
   - > 10 years
3. Please describe your personal and/or professional experience with computers.

4. What kind of experience do you have with existing Windows Operating Systems e.g. Windows 9x and Windows 2000 family?

5. How often do you keep updated on new computer related technologies? What methods do you use to keep updated?

6. What is your networking background?

7. What is your security background?
Developer 2000 Questionnaire

1. Your Full Name

2. How long have you been involved with computers? Circle the correct choice:
   - < 1 year
   - 1 year
   - 2 years
   - 3 years
   - > 3 years
   - > 5 years
   - > 10 years

3. Please describe your personal and/or professional experience with computers.

4. What kind of experience do you have with existing Windows Operating Systems e.g., Windows 9x and Windows 2000 family?

5. How often do you keep updated on new computer related technologies? What methods do you use to keep updated?

6. Do you like to work with computers? Why?

7. Would you consider yourself a logical & analytical person? Yes/No

8. Are you aware that programming is a step by step process? Yes/No
DBA Questionnaire

1. Your Full Name
2. How long have you been involved with computers? Circle the correct choice:
   • < 1 year
   • 1 year
   • 2 years
   • 3 years
   • > 3 years
   • > 5 years
   • > 10 years
3. Please describe your personal and/or professional experience with computers.

4. What kind of experience do you have with existing Windows Operating Systems e.g. Windows 9x and Windows 2000 family?

5. How often do you keep updated on new computer related technologies? What methods do you use to keep updated?

6. Do you like to work with computers? Why?

7. Would you consider yourself a logical & analytical person? Yes/No
8. Are you aware that Database Administration is to make sure that the database is running at all times? Yes/No
Java Questionnaire

1. Your Full Name
2. How long have you been involved with computers? Circle the correct choice:
   • < 1 year
   • 1 year
   • 2 years
   • 3 years
   • > 3 years
   • > 5 years
   • > 10 years
3. Please describe your personal and/or professional experience with computers.

4. What kind of experience do you have with existing Windows Operating Systems e.g. Windows 9x and Windows 2000 family?

5. How often do you keep updated on new computer related technologies? What methods do you use to keep updated?

6. Do you like to work with computers? Why?

7. Would you consider yourself a logical & analytical person? Yes/No
8. Are you aware that programming is a step by step process? Yes/No
9. What kind of Computer Programming experience do you have?
MCSE Questionnaire

1. Your Full Name
2. How long have you been involved with computers? Circle the correct choice:
   - < 1 year
   - 1 year
   - 2 years
   - 3 years
   - > 3 years
   - > 5 years
   - > 10 years
3. Please describe your personal and/or professional experience with computers.

4. What kind of experience do you have with existing Windows Operating Systems e.g. Windows 9x and Windows 2000 family?

5. How often do you keep updated on new computer related technologies? What methods do you use to keep updated?

6. Do you like to work with computers? Why?

7. Do you like putting/connecting things together? Yes/No
8. Are you aware that MCSE Windows 2000 involves setting up networks and the role you can play in the industry is to design, create, implement and/or support networks?
Certified Bioinformatics Specialist Questionnaire

Name:

Education Background:

Experience in Bioinformatics:

Experience in Biology:

Experience in Information Technology:

This questionnaire is divided into three sections. Please choose the correct answer:

**Statistics**
- Are you familiar with Graphic Display of Data (Charts and Graphs)  
  Yes/No
- Do you understand concepts of the Mean and Median  
  Yes/No
- Do you understand concepts of Variance and Standard deviation  
  Yes/No
- Do you understand concepts of Correlation  
  Yes/No
- Do you understand concepts of Probability  
  Yes/No
- Are you familiar with concepts of Statistical Inference  
  Yes/No

**Biology**
- Are you familiar with Cells and its Components  
  Yes/No
- Are you familiar with Protein structure and Function  
  Yes/No
- Do you understand the concept of DNA  
  Yes/No
- Are you familiar about Chromosomes  
  Yes/No
- Are you familiar about DNA  
  Yes/No
- Are you familiar about the Membrane structure  
  Yes/No
- Are you familiar about Tissues  
  Yes/No

**Computers**
- Are you familiar with usage of Windows  
  Yes/No
- Are you familiar with usage of Linux/Unix  
  Yes/No
- Are you familiar with usage of MS-Office  
  Yes/No
- Do you have knowledge of Programming Concepts  
  Yes/No
